Trial Policies and Information

FEES/ENTRY:

- Pre-entries only will be accepted and there will be no entries accepted after July 18th.
- No entry fee will be refunded if the trial cannot open or be completed by reasons of riots, civil disturbances, fire, poor air quality caused by fire, an act of God, public emergency, an act of public enemy, or any other cause beyond the control of the organizing committee.
- There will be no refunds for entries in the event a dog and/or handler are dismissed from competition regardless of the reason for such dismissal.
- A withdrawal from the competition after the closing date due to an injury and/or illness and/or a bitch coming into season after the closing date will be eligible for a refund up to 75% of the total entry fee paid.
- Non-Jumping Classes—Veteran or Disabled Handler. Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the non-jumping classes only.
- The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course.
- When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient, Standard Division jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.
- Please include your height card with your entry if you have one. If entering your dog in Skilled then there is no need for the dog to be measured or to include the height card.

IMPORTANT: Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the files section of the NADACAgility@yahoogleroups.com list within two weeks after the NADAC office receives them from the club. The trial results will remain on the list for at least thirty (30) days. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the www.NADACAgility@yahoogleroups.com list and set your settings to "no mail". You will be able to view trial results and check for any possible discrepancies, without receiving list mail. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels. Points earned at a higher level of a class, prior to the completion of the lower level title, will not be banked by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.

TRIAL/SITE:

- All dogs for a given class should be present at ring side at least one-half hour prior to the start of the scheduled classes for walk through and briefing. Any dog and handler not present when they are called will be ineligible to run and the next dog & handler in line will be allowed to run.
- Running order is by random draw and may change from class to class. Handlers with more than one dog in a class will be separated where possible.
- There will be no same day move-ups: however, if you title on Saturday, you may move up the next level on Sunday. Move-up forms will be available at our hospitality table (or see show secretary). Completed forms must be in the designated place at the end of the day Saturday.
- Flat Ribbons will be awarded to first through fourth places in all jump heights in all classes except for Chances.

Chance class is pass/fail only so there are no placement ribbons. Qualifying Flat Ribbons will be awarded for those achieving a qualifying score. Flat title ribbons will be awarded for those finishing a title and NATCH ribbons/rosette and a jump bar will be presented to those completing a NATCH at this trial.

- **NO AGGRESSIVE DOGS OR PEOPLE ARE ALLOWED.** This trial is to have fun with your dogs and enjoy the sport of agility.
- This trial is outdoors on grass and there is plenty of crating space available. There are lots of large trees but a shade tent and adequate rain protection is highly recommended. There will be a pool and water hose available for dogs.
- **WARNING:** Do not park long term on the access roads at the VA grounds. Please park in only designated parking spots in the parking lot next to the administration building (across the street from the ring). The VA police department will (and has) ticketed vehicles parked on the access roads in violation of posted signs.
- All dogs must be on leash when not competing in the ring. Under no circumstance should a dog be tied to anything and left unattended. Remember to clean up after your dog so that we can use these grounds in the future.

FOOD: There will be some food concessions on site during the trial provided by the club. Lunches will be made available via sign up emailed to all entrants.

RAFFLE: There will be a raffle with proceeds donated to Eddy McClure's memorial.
