VETERAN OR DISABLED HANDLER

Disabled handlers or handlers aged 60 yrs. or older may opt to enter the non-jumping classes as a Veteran Handler and receive additional standard course time. This division is for handlers only. The additional SCT is for qualifying purposes only for those who may need the additional time to negotiation the course due to physical limitations. Veteran Handlers in the non-jumping classes will be scored and placed with their standard division jump height. When entering as a Veteran/Disabled Handler, you must enter all classes and all dogs in this division for the weekend.

As of January-2014: Dogs must enter the Veterans Dog Division in all jumping classes after their 9th birthday. After their 12th birthday, dogs must enter the Skilled Category, Veterans Division for jumping classes and Skilled Category for non-jumping classes.

The following information with respect to checking your results:

IMPORTANT. Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the www.NADACForum.com within two weeks after the NADAC office receives them from the club. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the Forum by going to www.NADACForum.com and submitting your request. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels. Points earned at a higher level of a class, prior to the completion of the lower level title, will not be recorded by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.

FOOD/TOYS IN POCKET: Food or a small noiseless toy may be carried into the ring in your pocket provided it is contained in a zip lock bag or small container such as a pill bottle. The container cannot be visible in the ring nor within 10 feet of the ring. You cannot indicate to your dog that you have this item on you i.e. patting your pocket. You are not allowed to remove the container until you are at least 10 feet outside the ring. All food and toys must be contained at the trial and none can be left lying about loose. This policy has been implemented to reduce the possibility of dogs fighting over loose food or toys, diminish dogs dragging their handlers back to their crates (or wherever they left their food), and to lessen the amount of insects that are around loose food.
